

Inhaltsstoffe/Contents

A flat net of a rectangular box. The net consists of several panels: a top lid with a rounded front edge, a central body with three vertical panels, and a bottom base with a rounded back edge. A large pink rectangular area is positioned on the left side of the body panels, containing the text 'Inhaltsstoffe/Contents'. The rest of the net is grey. The panels are connected by fold lines, and there are small tabs for assembly on the top and bottom edges.
